While in the UK, Jhadten will have time to give a limited number  
of soul readings. Please contact Claire to book an appointment.

## Jhadten Jewall

Over the last 20 years, I have  
combined my training in crystal  
healing, shamanism, vibrational  
healing, and sound healing with  
my ability to channel and work  
vibrationally with groups, to activate  
the structures of the future within.

During my workshops I guide you to access the still part  
of your consciousness that is one with your soul energy. The  
meditations are designed to improve your health, uplift your  
heart and delight your mind; to mirror to you the pure Essence  
of your Being.

I have travelled the world delivering these workshops, and  
it is my joy to guide people to a profound experience of the  
incredible gift that they are, as an embodied soul here on Earth.

European dates for this workshop run from March to May  
2018. Venues include: Switzerland, Germany, England and the  
Netherlands.

The only UK date will be in May this year.

I perceive energy intuitively and have learned to draw close  
approximations of what I see. The image on the title page  
represents the energies of this workshop, and the image below  
reveals the Energies of 2018.

# The Wings of the Goddess' Love

## The Spiritual Evolution of Consciousness Changes Direction

Bournemouth. UK  
12<sup>th</sup> & 13<sup>th</sup> May 2018

Organised by Paradigm Shift Events

# *The Wings of the Goddess' Love*

## *The Spiritual Evolution of Consciousness Changes Direction*

In 2018 a new direction for humanity's spiritual evolution of consciousness has begun. This huge change in consciousness will greatly effect how we create our reality, and the Divine Feminine offers us a stable foundation for this new direction.

### **In This Workshop**

We will work with the Divine Feminine and as a result we will also discover whole new realms in the Divine Masculine aspects of our souls. This in turn allows for a whole new alchemy of our energies to occur, resulting in greater health, fulfillment and spiritual enlightenment.

The initiations given aim to heal various fields of our lives, for example:

- Maria Magdalene heals the sexual abuse and relationship issues we may have from this lifetime, previous lifetimes and even those that have been inherited.
- The Hawaiian Goddess Uli heals our creative powers and initiates us into a deeper connection to nature and Mother Earth.
- Sekmet heals the disempowerment of the Feminine and initiates us into our own space and power.

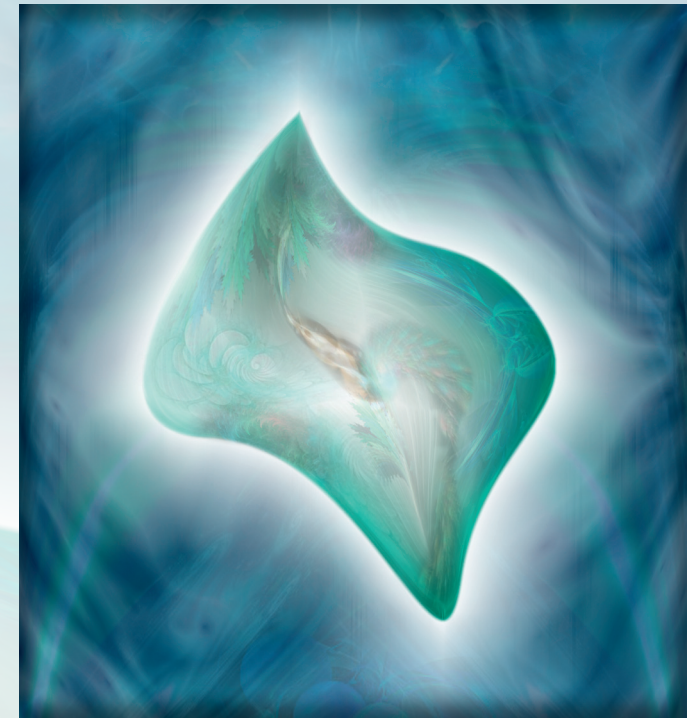

- Astarte infuses us with a new vibration of forgiveness and connects us to the Cosmic Mother
- Portia releases us from all taboos and old belief systems and initiates us into a new Ethic and Justice.

Depending on the group energy, other deities (soul aspects) may be drawn upon for the group energy to be healed as well.

The City of Light Bournemouth will also be activated at this workshop, which in turn is a strengthening of the soul purpose.

I have the unique gift of being able to bring through the newest vibrations available to us at this time, so that we can embody them fully and hence be in alignment with the unfolding of creation in this parsec of the universe. Our souls long to be fully embodied at this time and this workshop is intended to fulfill that desire.

Through the guided meditations I will support you in experiencing the full power of your soul energy, so that you can incorporate it into your everyday life. In this way you can care for your energy fields and live with less stress in order to experience well-being and safety in your life.

Using sound exercises we will imprint these new frequencies into the crystalline structures of the body and consciousness, so that they continue to be effective after the workshop.

I like to conduct my workshops with humour and ease, and still create a life changing effect upon the participants.

I so look forward to seeing you there!

Namaste!
