

TRANSMISSION MEDITATION

Do you want to help the world and also build a stronger connection with your own spiritual nature?

Transmission Meditation is a simple, group meditation providing both a dynamic service to the world and powerful personal spiritual development. It is the creation, in conscious co-operation with the Masters of Wisdom, of a vortex or pool of higher energy for the benefit of humanity. This is the energy that is bringing about the transformation of our world along more peaceful, just and harmonious lines.

It is a combination of two yogas: Karma Yoga (yoga of service) and Laya Yoga (yoga of energy or chakras). Introduced to the world in 1974 by artist and author Benjamin Creme, there are now hundreds of Transmission Meditation groups active around the world.
