Dear Ones,

My dear friend and teacher, Zanze Pandit, who I know to have the highest integrity and honesty and whom I trust implicitly, is very kindly offering to teach this amazing practice for the second time, online, for the benefit of all. This is a practice that will really help you physically, mentally, spiritually (if you practice daily), and is very timely and desperately relevant for this very challenging time.

Pandit means 'Learned Scholar / Wiseman'. Some of you will know, he is anointed by Dharma King Dechan Jueren as Zanze Pandit, which is equivalent to a Khenpo Chenno in Tibetan Buddhism. The retired Dean of the Higher Institute of Tibetan Buddhism, H.E. Danjiong Ratnavajra Rinpoche, passed on his past life's dharma instruments to Pandit. The 26th Garva Rinpoche, who is also the nephew of the 10th Panchen Lama, recognised and affirmed Pandit — "You are a Great Bodhisattva."

Pandit does not present himself in the flowing robes and garments of the Eastern Buddhist Teachers you may be accustomed to seeing (although he does have them.) However, do not be fooled into thinking this belies his status. (You may have noticed that a lot of the high Buddhist teachers on Facebook are now wearing western shirts and jumpers. Great teachers do not need to impress and separate themselves out as 'Exclusive'; great humility lies within 'Inclusive' plus it's more relatable and approachable - right?)

The Medicine Buddha practice is such an incredible practice. This is not something that is taught out to the general public normally. You would have had to enter into a monastery and practice for several years before something like this was given to you - and even then it would only be the mantra initially. However, under the auspice of our guru, Dechan Jueren, we have been instructed that it can be taught out to the public in this time of need. (If you only understood how truly lucky you are.)

Awakened Healer Workshop will be conducted over four weekly sessions. You will have a week to practice the mantra and meditation before the next session. Then, you will get a secret BONUS week. Not only is Pandit teaching the 'Medicine Buddha' practice, he is also offering you two additional practices 'Seven Stars' and 'Seven Medicine Buddhas'. These are separate workshops in truth. There is a wealth of information within this workshop and you will also be offered ongoing support and access to many FREE online tools and downloads from Pandit's website: www.zenwise.guru & [facebook: zenwise.guru](https://www.facebook.com/zenwise.guru)

Here's some more info on the workshop:
