Quantum Healing & Hypnotherapy

Quantum Healing restores equilibrium in the mind/body by directly resolving the experienced symptoms.

Hypnotherapy sessions offered include and are not limited to; Higher Self Connection, Inner Child Healing, Relationship Resolve, Past Life Recollection & Karmic Balance, Timeline Therapy & Addictions/Behavioural Change.

Intuitively designed to facilitate deeper understandings and clearing of trauma, detrimental behavioural patterns, triggers, and conditioned responses brought from other lives and this life experience. Creating new timelines in order to live a more free, fluid and liberated existence.
